FY '19

From the Chair

Ray McCaskey

On behalf of our board of directors and staff, I am pleased to present the Abraham Lincoln Presidential Library Foundation's Annual Report for 2019.

It has been an incredible year. We hosted a number of events in Springfield to engage our members and donors. In addition to member openings for the exhibits: *American Visionary: John F. Kennedy's Life and Times*; *In this Great Struggle: The Greatest Generation Remembers WWII* (closing January 12, 2020) and *All Aboard!* (extended through 2020), we also hosted our first fall fundraiser: *An Evening with Doris Kearns Goodwin*. The sold-out event was attended by approximately 435 people raising much-needed support for our Permanent Home Campaign. Attendees were treated to remarks by our nation's "Historian-in-Chief" as she discussed her latest award-winning book *Leadership in Turbulent Times* about four of our nation's quintessential leaders: Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt and Lyndon B. Johnson. The event was a huge success and was generously underwritten in-part by Brandt Consolidated Inc. and BUNN among others to whom we are thankful.

In the second half of the fiscal year, we hosted our annual Lincoln Leadership Prize dinner. The Prize has been awarded to 13 distinguished individuals or groups of individuals. This year, we were honored to have the 43rd President of the United States George W. Bush accept the Prize. Approximately 700 attended the event. The dinner was our most successful in its 13-year history and we are grateful to the many individuals and entities who made this possible.

In addition to these outstanding events, exhibits and numerous author and family friendly events presented almost daily at the Library and Museum, the year also saw the creative theatrical presentations of "Oh Freedom: Songs of the Civil Rights Movement" generously underwritten in-part by the Illinois Arts Council, "Five Presidents," and the reprise of "One Destiny" supported in-part by the Susan Cook House Educational Trust. These educational and cultural theatrical presentations were all presented to capacity audiences. The year came to a close with the second workshop for teachers made possible through a generous partnership between the ALPLM, Gilder Lehrman Institute and an anonymous benefactor.

These achievements and so many others would not have been possible without the continued, generous support of donors like you and those listed in this report. We thank you and look forward to continuing our work together as we enter our 20th anniversary year, to further educate and promote Mr. Lincoln's legacy across the United States and around the world.

From the Treasurer

Sarah Phalen

To advance our mission to support the educational and cultural programming of the Abraham Lincoln Presidential Library and Museum, the ALPL Foundation receives donations, grants and sponsorships from individuals, members, corporations, foundations, and the Lincoln Leadership Prize event. In fiscal year 2019 the ALPL Foundation received grants to support the World War II Exhibit, field trips for students in Illinois and District 186, the Papers of Abraham Lincoln, the Gilder Lehrman Institute, the Living History program, tourism, theatre and the Oral History program. Contributions to the Permanent Home Campaign and the Doris Kearns Goodwin event allowed the Foundation to reduce the outstanding loan balance. We are proud that our foundation continues to provide valuable financial support and resources to the ALPLM.

The Foundation ended fiscal year 2019 with a strong increase in net assets over last fiscal year.

The ALPL Foundation's investment asset base is conservatively managed with a mandate to hold 70% of our assets in bonds and short-term secure instruments and 30% in diversified equities. This mix has provided consistent returns over the years with a minimum of risk and volatility.

We appreciate the loyalty, trust, and support from our many members, donors, and supporters at all levels. Without you, we would be unable to provide essential financial support to the ALPLM and the institution's exceptional programs and exhibits.

From the CEO

Carla Knorowski

One can never thank another enough when it comes to gifts of service or financial support. And as another fiscal year comes to a close, I thank you on behalf of the Foundation Board of Directors and staff, as well as our colleagues at the ALPLM. You, our loyal and committed donors, made 2019 an outstanding success.

If you are reading this, it is because you were one of the more than 7,500 contributors responsible for donating more than 6,600 gifts in FY '19. You, along with our other philanthropic partners, helped us realize an increase in revenue over 36.75% the previous year. None of this could have been possible without the tremendous support of benefactors from across the nation and abroad.

While too numerous to mention, we are grateful to sponsors such as AT&T, a founding contributor to the building of the ALPLM, which generously sponsored the exhibit, *In this Great Struggle: The Greatest Generation Remembers WWII*. Susan Cook House Educational Trust which was the lead sponsor of the reprise of the ALPLM's theatrical production, "One Destiny"; Illinois National Bank for its lead sponsorship of the ever-popular Spooktacular; the Winnick Family Foundation's support, as well as that of Valco Awards and More to underwrite field trips for students locally and nationally; the Dr. Scholl Foundation's support of the Living History Program; Iron Mountain provided the capstone matching gift wherein our Foundation successfully completed raising \$300,000 in private support to match \$300,000 from the National Endowment for the Humanities for the Papers of Abraham Lincoln project. We also are grateful to The Tawani Foundation for its underwriting of a planning grant to bolster our work on the Permanent Home Campaign to bring it to a successful conclusion. These are but a few of the many examples of philanthropic leadership exhibited by donors to our institution.

FY '19 also saw the Foundation's launch of its planned giving society, The Better Angel's Alliance. Planned gifts are essential to the life of any nonprofit institution and the ALPLM and our Foundation is no exception. As we mourn the loss of friends like Rozanne Flatt-Robertson and Annabel O. Nickell, we celebrate their generosity of spirit and enduring support. They, like others, had thoughtfully included the Foundation in their estate plans to benefit the ALPLM. They are among the first members of the Alliance. We are grateful to Sasha and Eugene Jarvis whose philanthropic support enabled us to create The Better Angels Alliance which will continue to advance and sustain the ALPLM and Foundation for generations to come.

While it is impossible in this letter to thank all the many individuals and entities who made FY '19 a tremendous success, we say a deep and heartfelt, "Thank you" to all who contributed. YOU made the difference and we are forever grateful. Here's to an even more successful 20th anniversary year.

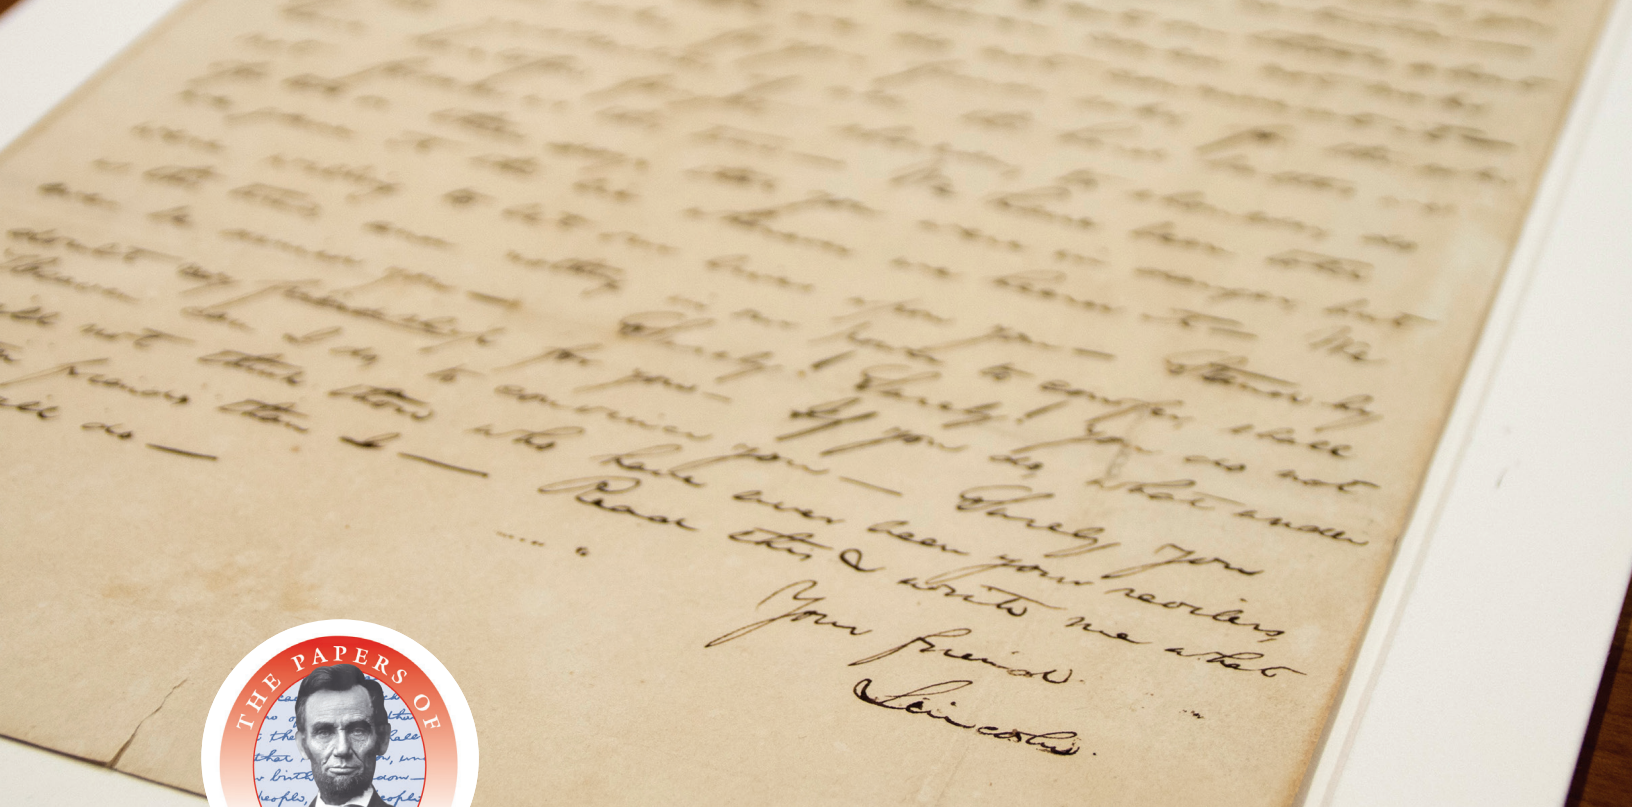

Better Angels Alliance Makes Debut, Increases Support

This past fiscal year, the Abraham Lincoln Presidential Library Foundation (ALPLF) unveiled its new planned giving society: the Better Angels Alliance. The society recognizes philanthropic individuals who have remembered the ALPLF in their estate plans to advance its mission in support of the educational and cultural programming of the Abraham Lincoln Presidential Library and Museum; to foster Lincoln scholarship through the acquisition and publication of documentary materials relating to Lincoln and his era; and to promote a greater appreciation of history through exhibits, conferences, publications, online services, and other activities designed to promote historical literacy.

BETTER ANGELS ALLIANCE

This past fiscal year, two founding members of the Better Angels Alliance Rozanne Flatt-Robertson and Annabel O. Nickell passed away. As we mourn their loss, we are grateful for their generosity of spirit and enduring support. Through each of their respective estate plans, they were able to have a major impact on the collaborative work the Foundation, Library and Museum do to promote and advance Abraham Lincoln's legacy and Illinois history around the globe. Ms. Flatt-Robertson's generous six-figure gift went to underwrite programs in the ALPLM's Oral History program. The ALPL Oral History Program which preserves the stories and memories of Illinois's citizens, not just the famous and prominent among us, but of people from all walks of life. Mrs. Nickell's generous six-figure gift was part of the Permanent Home Campaign and was used to underwrite crystal stemware and a toddy cup once owned and used by the Lincoln family while living in the Executive Mansion. We are grateful for their generosity and the generosity of all members of the Better Angels Alliance.

If you have provided for the Abraham Lincoln Presidential Library Foundation in your estate plan and have yet to officially notify the Foundation or join the Better Angels Alliance, please contact the ALPLF at 217-557-6251.

Papers of Abraham Lincoln

The Papers of Abraham Lincoln (PAL) is a research project of the Abraham Lincoln Presidential Library and Museum. The purpose of the PAL is to locate, scan, transcribe, and annotate every document Abraham Lincoln wrote, signed, or received. It is the goal of project editors to use digital technology to provide access to this treasure trove of documents free-of-charge to Lincoln enthusiasts and experts. With a corpus of 106,000 documents, the project fundamentally changes the way scholars research and write about America’s 16th president.

In recognition of its important work, the Papers of Abraham Lincoln project has received millions of dollars in financial support from corporations, foundations, individual donors and federal granting agencies like the **National Endowment for the Humanities (NEH)**, **National Historical Publications and Records Commission (NHPRC)** and others. Oftentimes agencies like the NEH provide a combination of outright support, as well as support which must be matched through private philanthropy.

In Fiscal Year 2019, the Papers of Abraham Lincoln successfully concluded its work associated with a three-year, \$400,000 NEH grant. Because the grant included a matching portion, an additional \$300,000 in private philanthropic support was raised resulting in a total of \$700,000 in funding for the project. Over the course of the grant, the Abraham Lincoln Presidential Library Foundation worked with a number of generous benefactors to raise the \$300,000 in private matching support, including the: **Abraham Lincoln Association, Springfield Tracy Fund, California Community Foundation, Abraham Lincoln Bicentennial Foundation** and, lead donor for the match, **Iron Mountain Incorporated.**

NATIONAL
ENDOWMENT
FOR THE
HUMANITIES

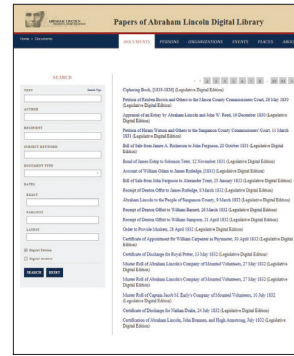

IRON MOUNTAIN®

The matching support of Iron Mountain and fellow benefactors enabled the PAL to purchase equipment, locate and scan thousands of Lincoln documents at repositories around the country, and obtain permanent cold storage for its archival images. It also assisted the PAL in producing a beta version of the project's first digital publication and the Papers of Abraham Lincoln Digital Library at a time when there were significant budgetary constraints. The initial launch of the digital library included 5,179 documents from the first 33 years of Lincoln's life for a total of 5,203 documents, from birth to the end of his tenure in the Illinois House of Representatives.

Iron Mountain has been a longstanding supporter of the Papers of Abraham Lincoln project, not only financially assisting in the campaign for the NEH match, but in-kind as well. A global information management and storage company, Iron Mountain has, over the years, provided invaluable support in the form of digital storage and technical assistance. Proud of its longstanding partnership with the PAL and the Foundation, it launched a series of “trophy trucks” championing our 16th president and the PAL project. These moving billboards helped spread awareness and curiosity about this important collaboration and the vital work resulting from the partnership.

“The Abraham Lincoln Presidential Library and Museum has assembled a vast collection of images related to President Lincoln, from personal letters to rare photos and White House correspondence,” said Ty Ondatje, senior vice president and Chief Diversity Officer. “Iron Mountain is proud to have created a digital archive to help them safeguard and organize their images for future public access, draw-

ing from our 60+ years of expertise in protecting, preserving and managing our customers' most precious assets. This important project is brought to life through our Living Legacy Initiative,

our company's commitment to preserve and make accessible historical and cultural information, like the iconic pictures and documents related to President Lincoln.”

The Papers of Abraham Lincoln ended Fiscal Year 2019 on a strong note with plans ensuring an even more successful FY '20. In the coming year, Dr. Daniel Worthington, director of the project, and his team of professionals plan to complete editorial work on 235 documents from the second segment (1841-1849); publish 3813 documents from the second segment (1841-1849); upgrade The Papers of Abraham Lincoln Digital Library; add social media functionality and links to the Lincoln Log and the Law Practice of Abraham Lincoln; and Google diagnostics to track user statistics among other important achievements crucial to the ongoing success of the project.

This important and vital work could not be possible without ongoing, invaluable public partnerships like those between The Papers of Abraham Lincoln, the National Endowment for the Humanities, Iron Mountain and the many private philanthropically-minded entities and individuals, who give so generously to advance Lincoln research and scholarship and make it accessible to the public.

“Iron Mountain is proud to have created a digital archive to help them safeguard and organize their images for future public access, drawing from our 60+ years of expertise in protecting, preserving and managing our customers' most precious assets.”

— Ty Ondatje, senior vice president and Chief Diversity Officer, Iron Mountain

Our Lasting Gratitude

Founding Charter Members

Before the bands played, the banners waved and the President of the United States cut the ribbon to celebrate the opening of one of the most-visited Presidential facilities in the nation--our founding Charter Members stepped up to put their name on history. As our fiscal year comes to a close, the Foundation would like to once again extend our lasting gratitude to our charter members for their belief in the project that established a world renowned library museum for our 16th President in downtown Springfield and has educated more than four million visitors thus far.
